

SCS teachers inspire: 'Thankitude!'

Gary Abud wrote a column in *EducationWeek* built around the word 'Thankitude' -- which is different from mere gratitude. A thankitude is an attitude of giving thanks. It is marked by actively paying attention to, and intentionally expressing thanks for, what matters most to you. *If you can think, you can thank.*

Let's devote ourselves to a new ritual of thinking about thanking those who make a difference in our lives. Let's extend Teacher Appreciation Week and look for opportunities to appreciate and thank our teachers all year long!

Field Day proved that a Family that Plays Together, Stays Together!

We take pride in our tradition of creating "Families" every year — small groups of students that include one student from each grade level. Each 8th grade student gets to practice their leadership skills by becoming the head of a Family-Group. This year we had 20 Families who enjoyed getting to know each other during fun activities throughout the school year.

Our Annual Field Day is always the biggest (and most fun) Family event of the year! Each family got to challenge themselves with over 10 different field activity stations to rotate through.

Needless to say, everyone looked forward to celebrating the day with a healthy meal provided by the generous donations of the SCS community of parents — *Thank You!*

Big thanks to our P.E. Specialist, **Lynda Allen**, for creating another great rotation of Field Events. Thanks, also, to our **teachers, teacher-assistants, and the many parents** who volunteered to make the day fun and safe!

Sonoma Charter School

17202 Sonoma Hwy.
Sonoma CA 95476
(707) 935-4232

SCS Calendar

May 7 - 11 is Teacher Appreciation Week!

MON (5-7)
