

INJURY AND ILLNESS PREVENTION PROGRAM GUIDANCE

Under California law, all employers must provide and maintain a safe and healthful workplace for employees. To effectuate this requirement, each employer must have a written, effective Injury and Illness Prevention Program (“IIPP”) in place. The mandatory contents of the IIPP are identified in Title 7 of the California Code of Regulations.

California’s Department of Industrial Relations, Division of Occupational Safety & Health (“DOSH”) is the agency charged with enforcing workplace health and safety laws. It also provides a comprehensive on-line guide to developing a workplace IIPP and offers free consultative services by Cal/OSHA staff for developing or improving upon an existing IIPP. These consultants do not assess fines or penalties and do not inform the DOSH of their work with employers.

The general website for the DOSH may be found at: <http://www.dir.ca.gov/dosh/dosh1.html>.

The website for the guide to develop a workplace IIPP may be found at: http://www.dir.ca.gov/dosh/dosh_publications/iipp.html.

The DOSH also provides a host of other workplace safety publications addressing various issues that may be of assistance to charter schools generally. These include topics relating to bloodborne pathogens, ergonomics, janitor safety work issues, among many others. All publications may be downloaded from the DOSH publication page found at: <http://www.dir.ca.gov/dosh/PubOrder.asp>.
